Instructions: Read the passage aloud. Focus on clear pronunciation and natural intonation.

One sunny day, Emma and her best friend, Leo, went to the park.

Emma loved the swings, and Leo liked the slide. They took turns playing on both.

Suddenly, they saw a little puppy running around! 'Look, a puppy!' said Emma.

The puppy wagged its tail and followed them. 'Maybe it's lost,' said Leo.

They found a tag on the puppy's collar. It said: 'Max - Call 555-1234'

'Let's help Max find his home!' Emma said. They called the number on the tag.

Soon, a woman came running. 'Thank you for finding Max!' she said with a smile.

Emma and Leo felt happy. 'Helping is fun!' they said, and then ran back to the swings.
