### Our Class Hike

Last weekend, our class went on a hike at Green Hill Park. We saw birds, insects, and even a small deer. Our science teacher taught us how to identify different trees by their leaves. I wrote everything down in my notebook. It was fun to walk through the forest and learn new things outside the classroom. After the hike, we had lunch on the grass. My friend shared his sandwich with me, and I gave him some fruit. It was a great day full of learning and fun.
